DESCRIPTION

The VTX B18 VT CVR is a heavy-duty soft cover designed to work with the VTX B18 VT vertical transport system. The cover is sized to cover 2 or 3 x VTX B18 enclosures and includes 2 x industrial-rated zippers for easy and reliable deployment. The cover includes input-panel flaps, allowing the VTX B18 enclosures to be tested without having to remove the cover. Handle cutouts are provided for easy handling, and the front section panels are internally reinforced for maximum protection of the speaker grills. When not used, the VTX B18 VT CVR folds into a compact footprint.
