Part # WP INSTALL DRAW

MS26

MS26

* *Important!* Dimensions are in inches [millimeters]. Please note that all measurements are OD (outside dimensions). Due to the nature of construction and the DuraFlex™ finish, all measurements may vary ± 0.039 in (± 1 mm).

MS28 Yoke Bracket

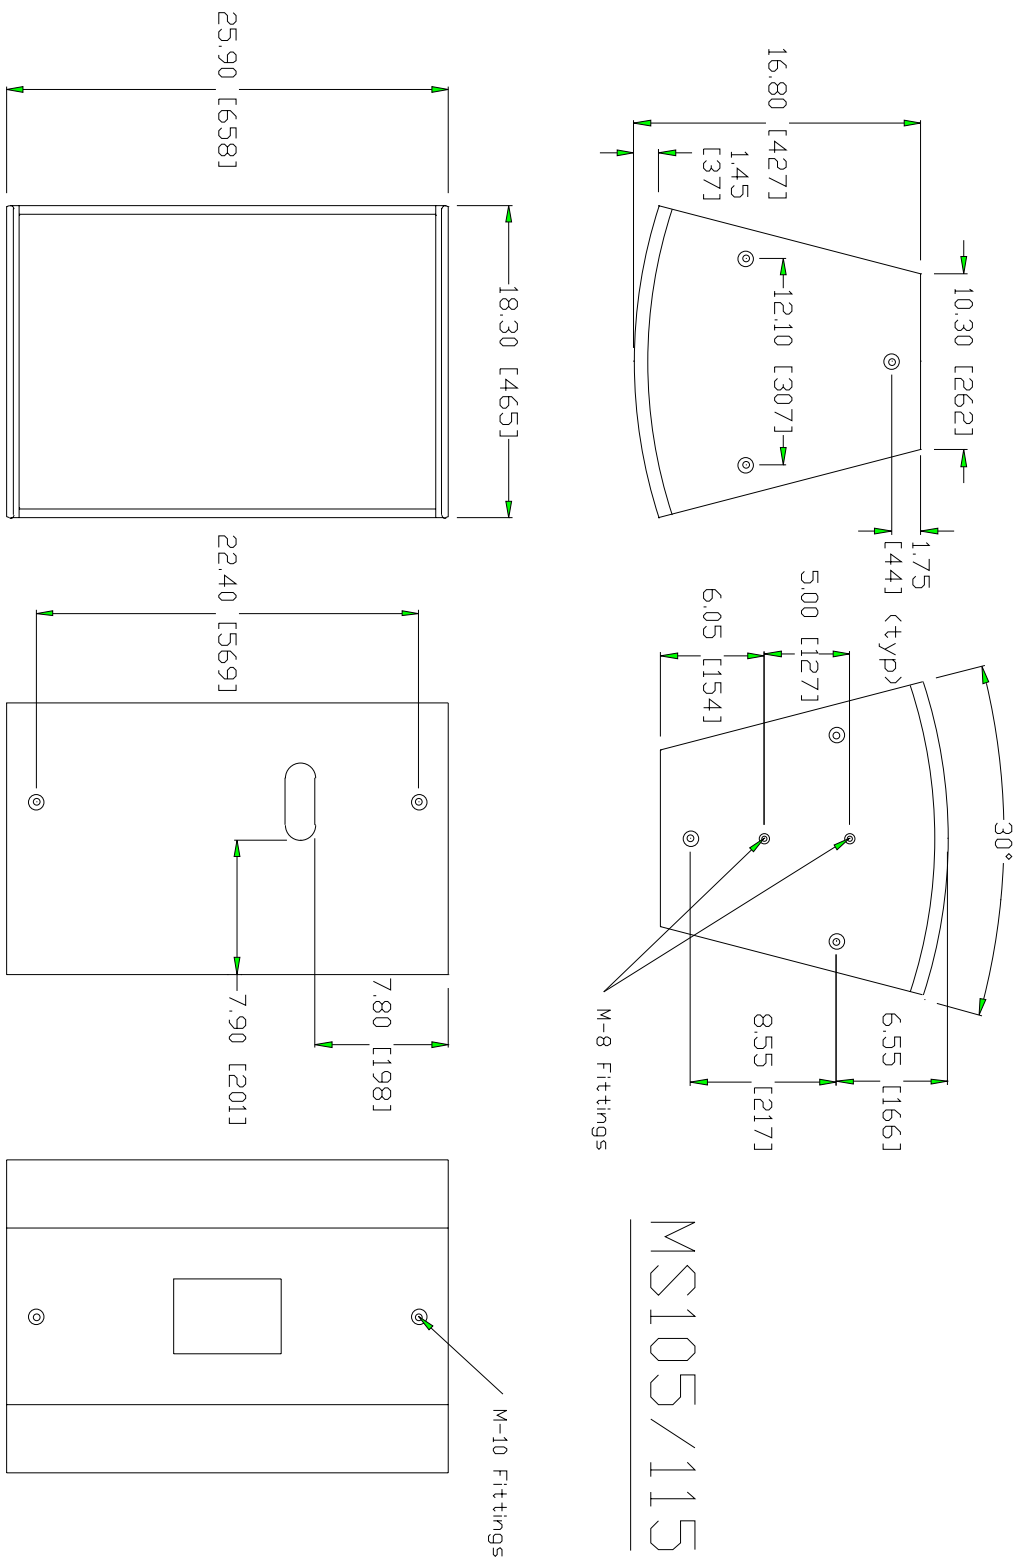

MS28 Yoke Bracket

* Dimensions are in millimeters [inches].

MS105, MS115

* **Important!** Dimensions are in inches [millimeters]. Please note that all measurements are OD (outside dimensions). Due to the nature of construction and the DuraFlex™ finish, all measurements may vary ± 0.039 in (± 1 mm).

MS125S

MS125S

* *Important!* Dimensions are in inches [millimeters]. Please note that all measurements are OD (outside dimensions). Due to the nature of construction and the DuraFlex™ finish, all measurements may vary ± 0.039 in (± 1 mm).

SP222

* **Important!** Dimensions are in inches [millimeters]. Please note that all measurements are OD (outside dimensions). Due to the nature of construction and the DuraFlex™ finish, all measurements may vary ± 0.039 in (± 1 mm).

SP225-6, SP225-9

* **Important!** Dimensions are in inches [millimeters]. Please note that all measurements are OD (outside dimensions). Due to the nature of construction and the DuraFlex™ finish, all measurements may vary ± 0.039 in (± 1 mm).

SP125S

SP125S

* *Important!* Dimensions are in inches [millimeters]. Please note that all measurements are OD (outside dimensions). Due to the nature of construction and the DuraFlex™ finish, all measurements may vary ± 0.039 in (± 1 mm).

SP128S

SP128S

* **Important!** Dimensions are in inches [millimeters]. Please note that all measurements are OD (outside dimensions). Due to the nature of construction and the DuraFlex™ finish, all measurements may vary ± 0.039 in (± 1 mm).

VS2110

* *Important!* Dimensions are in inches [millimeters]. Please note that all measurements are OD (outside dimensions). Due to the nature of construction and the DuraFlex™ finish, all measurements may vary ± 0.039 in (± 1 mm).

VS2210-6, VS2210-9

* *Important!* Dimensions are in inches [millimeters]. Please note that all measurements are OD (outside dimensions). Due to the nature of construction and the DuraFlex™ finish, all measurements may vary ± 0.039 in (± 1 mm).

VS3115

VS3115

* *Important!* Dimensions are in inches [millimeters]. Please note that all measurements are OD (outside dimensions). Due to the nature of construction and the DuraFlex™ finish, all measurements may vary ± 0.039 in (± 1 mm).

VS3215-6, VS3215-9

* **Important!** Dimensions are in inches [millimeters]. Please note that all measurements are OD (outside dimensions). Due to the nature of construction and the DuraFlex™ finish, all measurements may vary ± 0.039 in (± 1 mm).

VS3218-6, VS3218-9

* *Important!* Dimensions are in inches [millimeters]. Please note that all measurements are OD (outside dimensions). Due to the nature of construction and the DuraFlex™ finish, all measurements may vary ± 0.039 in (± 1 mm).

VS125HS

VS125HS

* **Important!** Dimensions are in inches [millimeters]. Please note that all measurements are OD (outside dimensions). Due to the nature of construction and the DuraFlex™ finish, all measurements may vary ± 0.039 in (± 1 mm).
