### JBL PROFESSIONAL AWARDS 2004 REP OF THE YEAR TO INNOVATIVE AUDIO SALES

NORTHRIDGE, CALIFORNIA, February 10, 2005 — Innovative Audio Sales has been named the recipient of JBL Professional's Rep of the Year Award for 2004. Located in Waterford, MI, Innovative Audio Sales handles sales of JBL equipment for the entire state of Michigan.

This is Innovative Audio Sales' first time earning JBL Rep of the Year honors since beginning its relationship with JBL in 1999. The company has been in business since 1987 and is led by President Andrew P. Combs, Electronic Marketing Director Brent Bakka, and Customer Service Director Beth Wainright.

"It means a lot to be recognized for doing a good job, and it's a feeling that can only be earned through hard work," Combs said. "This would not have been possible without the combined efforts of our customers, my staff, and the good people at JBL."

"In addition to providing dedicated, high-quality service throughout the Michigan region for JBL's line of industry-leading loudspeakers, Innovative Audio Sales has been named our 2004 Rep of the Year," said Tom Weeber, VP of Sales for JBL Professional. "Andy and his company have been a dedicated partner of JBL for the past five years, and we look forward to working with Innovative Audio Sales in the future, as the industry and our product line continue to expand."
