**JBL Professional Announces Availability Of Bags, Covers and Cases For Its Portable PA Loudspeakers**

FRANKFURT, Germany – In a move designed to make its industry-leading portable loudspeakers even easier to transport and protect, JBL has teamed with Gator Cases to develop a line of bags, covers and cases specifically designed for JBL portable PA speakers, including the EON, PRX, and SRX Series.

**JBL portable PA speakers now have their own line of bags, covers and cases.**

Gator will exclusively sell this new line of bags, covers and cases to JBL dealers around the world. The line currently entails more than 25 innovative, easily portable models, including form-fitted bags for the new-generation EON speakers.

“As JBL continues to define the portable PA market through innovation and a keen eye on the needs of its customers, this new line of accessories provides even more convenience and value to the end-user,” said Simon Jones, Director of Marketing, Portable PA, JBL Professional. “Our collaboration with Gator Cases in developing this line reinforces our commitment to providing our customers with truly portable solutions, while also helping to protect their investments.”
