JBL PROFESSIONAL NAMES BUZZ GOODWIN EXECUTIVE VICE PRESIDENT OF SALES

**World's leading manufacturer and marketer of professional loudspeakers
turns to an industry veteran with an outstanding record of achievement to
drive future growth.**

NORTHRIDGE, CALIFORNIA, November 21, 2006 — Underscoring its intent to aggressively expand sales in existing business channels, while simultaneously developing new market opportunities for its line of professional loudspeakers, JBL Professional today announced the appointment of industry veteran Buzz Goodwin to the position of Executive Vice President of Sales.

Effective immediately, Goodwin assumes complete responsibility for the development and implementation of all worldwide JBL Professional sales programs. He reports directly to JBL Professional President John Carpanini, who, in announcing the appointment today, noted that, “Buzz Goodwin is the man most qualified to help us achieve our growth objectives. In a career that spans 20 years in all areas of the professional audio industry, Buzz has demonstrated time and time again that he is the consummate sales professional who succeeds through leadership that inspires and energizes the entire organization that reports to him. I am confident that Buzz will shape the future success of JBL Professional.”

Buzz Goodwin comes to JBL Professional from the Harman Music Group (HMG), in Salt Lake City, UT, where he served as Executive Vice President of Sales. While at HMG, he was instrumental in generating significant and recurring sales growth for the BSS, dbx, DigiTech, and Lexicon product lines.

“I am tremendously excited to lead this great company into the future,” Goodwin said today. “I join an organization that is rich in history and I believe richer still in its future growth potential. JBL Professional is a company powered by an amazing team of professionals who are dedicated to developing breakthrough loudspeakers that set benchmark performance standards. It is a company that succeeds through a dedicated team of sales and market
